

MANICHIGAN

We, the undersigned, being of reasonably sound mind and rather odd temperament, pause in our Herculean attempt at graduating to hereby bequeath a few of our most valuable chattels to those who are confronted with the laborious task of carrying on the tradition and spirit of M. H. S. without our guidance.

In this manner do we dispose of our possessions:

To the junior class, our rightful heirs, we bestow, bequeath, and otherwise hand over the privilege of gazing in awe upon our pictures which will undoubtedly hang above their lockers.

Since we possess a colossal amount of wisdom, importance and (especially) superiority, we feel it only proper that we bestow a large portion of each of these to the members of the sophomore class.

To the freshmen we bequeath, bestow, etc. our superior methods (tried and true) of obtaining A's from the members of our faculty.

To the faculty we bestow our patience. (We realize how useful this will be in dealing with the juniors!)

To the athletic teams in future years we give our skill and the privilege of admiring the many trophies we have accumulated for M. H. S.

Finally, to our beloved school we leave peace and quiet and the emptiness caused by our absence.

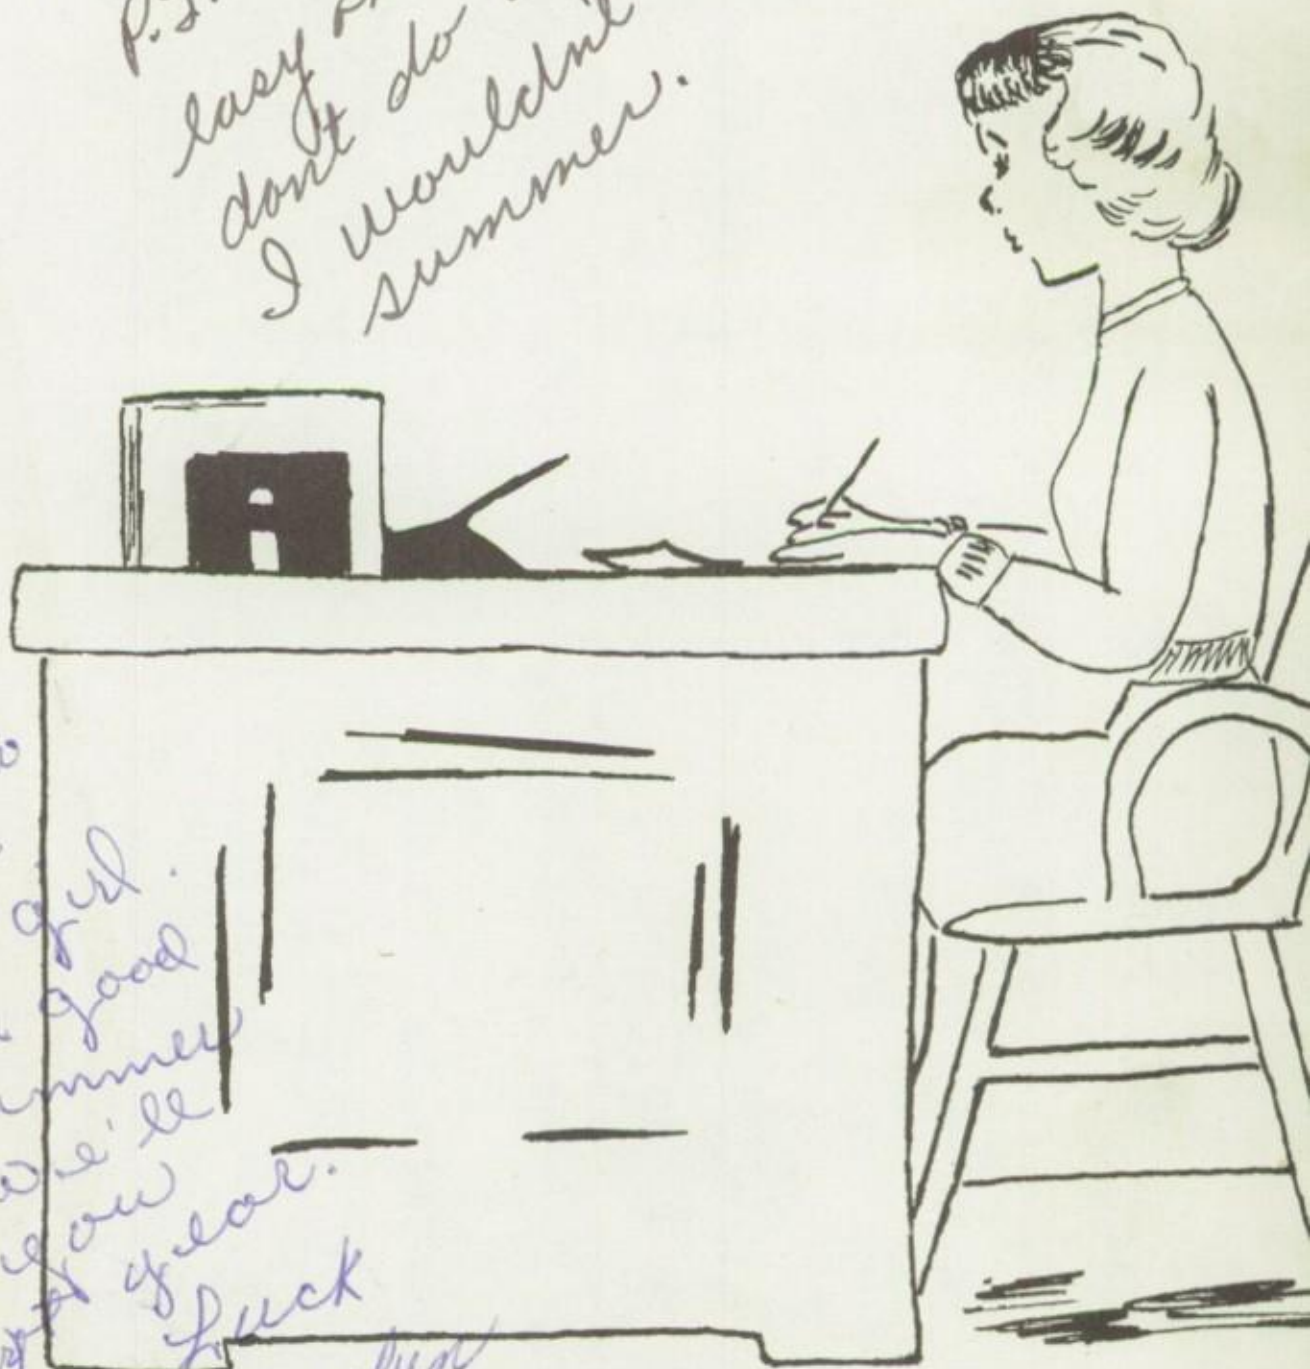

Hi Barb,
 Best of luck
 to a real nice gal.
 Don't forget the fun
 we have had this year
 as freshmen. Hope to see
 you around this summer.
 your friend always,
 Sharon
 "65"

P.S. Take it
 easy on "Red" and
 don't do anything
 I wouldn't do this
 summer.

Hi
 Barb,
 Good luck to
 a real cute
 and nice girl.
 Be real good
 this summer
 and we'll
 see you
 next year.
 Luck

Carolyn

The Guidance Department of MHS does a great deal toward preparing a student for the life he will lead after graduation. From the time he first enters as a freshman until the day of graduation, a student will find himself in constant contact with this department. He will be interviewed often and tested so that his special interests can be determined. As he advances he will talk over future plans with his counselor. If he decides to go to college, the Guidance Department will help him choose the school best suited to his needs.

LUCILLE JACOBSEN
Guidance, Effective Living,
Home Ec.

One of the most important departments in the school is the English department. A student must be able to communicate with his fellow human beings in order to live. Besides eliminating grammatical errors, this department also helps the student to learn to reason clearly by assigning themes and essays and holding debates and class discussions.

The Science Department helps the student to better understand the world in which he lives. This department opens the wonderful world of science to the student and gives him a better idea of the laws of nature. Even for the student who will never use math in his career, these subjects teach him how to think and reason problems out logically.

The industrial arts courses at MHS teach students to work with their hands. These valuable subjects may lead to a further career in the field of mechanics. Among the courses taught this year are printing, basic and advanced metals, basic and advanced woods, architectural and mechanical drawing, and arts and crafts.

A business course is very practical for a student to take. It trains him in skills which can be used in getting a job after graduation or which can be used in college life. According to some, Manistee High School has one of the finest business courses in the state of Michigan.

To begin with, in his freshman year the student is exposed to an elementary course in business which gives him a general outlook on all the aspects of the business world. Later he may choose to further his business course by electing to take such subjects as typing, shorthand, office machines, and business law, all of which give him a more technical knowledge about the workings of the modern business world.

FRANCES WOOLDRIDGE
Home Ec., U. S. History

"History repeats itself." This is what we learn in our social studies classes. These valuable subjects show us what has happened in the past and what we can expect to happen in the future. Although U. S. history is required of all juniors and civics and economics are required in the senior year, many students also enjoy taking world history. Learning of the history of the world and of our American heritage is exciting and stimulating.

Such subjects as art, and vocal and instrumental music can provide a broad background for a student. Our music departments are especially active, having won many honors in district and state festivals. Students have the opportunity to develop their artistic talent under the guidance of Miss Clarkson. Also included in our Fine Arts Department is the library, where over 7000 books are available for student use.

CLASSES

Jim Brie, Vice-President; Darlene Bark, Secretary; Carl Haase, Treasurer; Bob Arnold, President

Senior advisers planning our Senior Tour; Mr. Miller, Mrs. Ogilvie, Mrs. Hough, and Mr. Jilbert

As they graduate, the members of the class of "62" have much to remember. The fun, the friendship & classmates, the scholastic & athletic achievements, their J-Hop, the teachers and all the pleasant hours they have spent within the walls of M.H.S. Remembrance of their high school accomplishments, both large and small, will give them the courage to face their uncertain future. As they go out into the world a great many decisions must be made. May each Senior meet these responsibilities with wisdom and courage. GOOD LUCK.

Class History

As eighth graders, we began some of the happiest years of our lives. We chose Jim Snyder as president, Robert Arnold as vice-president, and Carolyn Reed as secretary-treasurer. Jim Baumgartner and Linda Larson were elected to the Student Council. To represent our class in the Home Coming Queen's Court, we chose Mary Kelly.

Having become Freshmen in September, 1958, we became a full fledged part of M.H.S. Ed Raatz was elected president, Jim Wisniski vice-president, Lyn Raatz, secretary, and Ellen Flarity, treasurer. Our Student Council representatives were Jim Baumgartner and Liz Nunn. Linda Scott was honored by being chosen Homecoming representative. "Carousel" was the name of our first big dance.

The big event of our Sophomore year was choosing and receiving of our class rings. We elected Chuck Rhodea as president, Jim Wisniski, vice-president, Ellen Flarity, secretary, and Carolyn Reed, treasurer. Representing us on the Student Council were Liz Nunn, Darlene Bark, Jim Baumgartner and Dennis Lynch. We chose Darlene Bark as Homecoming representative. For our class dance, we had Beatnik Party.

As Juniors in 1960, we chose Jim Konicki as president, John Carter, vice-president, Lyn Raatz, secretary, and Emilie Jach, treasurer. Our Student Council representatives were Peggy Cole, Darlene Bark, Dennis Lynch, and Jim Guzikowski. Peggy Cole was elected to represent us in the Homecoming Queen's Court. We spent many long and happy hours on our fabulous J-Hop, "Cotillion Ball."

Seniors at last! The class of "62". We elected Robert Arnold as president, Jim Brye, vice-president, Darlene Bark, secretary, and Carl Haase, treasurer. Dennis Lynch did a great job as president of the Student Council along with Jim Konicki, vice-president, Lynn Raatz, secretary, Peggy Cole, Preston Smith and Jim Guzikowski as our elected representatives. We were very proud of our "Queen Emilie" and Jo Ann Knight at Homecoming. We will never forget our wonderful Skip Trip to New York and Washington, D. C.

Now looking forward to graduation, we will always remember our years in high school, as possibly the best of our lives.

The Class of 63, which has Mr. Strouf and Mrs. Clohset as it's class advisors, elected the following class officers: Ken Kalen, Steve Yankee, Anna Peterson, and Ruth Ann Miller. Representing the Junior Class this year on Student Council were Mary Ann Fink, Dave Feldcamp, Ruth Ann Miller and Bill Preston. The Junior Class began the school year by electing Kay Dinsen as their representative in Manistee High School's homecoming festivities. At the same time a group of Juniors got together in Sally Mackin's barn and spent many weeks building a beautiful float entitled "New Era for the Chips" for the homecoming parade. But, because of the great wind, the float fell apart. During the course of the year the class treasurer, Ruth Ann Miller, worked hard with Mrs. Clohset trying to get Juniors interested in the new Junior Class Bank. This bank is for the class of 63 to save money for their Senior Skip Trip next year. In January the Juniors raised a memorial fund for the families of Bob Bowes, Jim Hogan and Ken Zecheinski. The class officers hope to make this year's J-Hop one that the class of 63 will never forget.

The highlight of the year for the class of '64 was naturally when they received their class rings from the Jostin Company on December 22.

This year as sophomores, the class chose the following as their officers: President: Dan Doleys; Vice-President: Sheryl Scranton; Secretary: Ruth Stimers; Treasurer: Sheryl Bradley. Representing them on the student council were Margo Numelin, Mary Beth Bultema, Dave Charney, and Dan Doleys. Jane Anderson dazzled the crowd during homecoming festivities as the sophomore class representative.

Class advisors Mr. Capper and Mr. Brastrom were always on hand to listen to the many problems about the class dance which was held at the conclusion of the year.

The freshmen, officially entering the high school for the first started the year off right with several elections. For officers they chose Jim Winters, Lynn Fisher, Barb Bultema, and Dave Niedzielski. Serving on the Student Council for the year were Cassandra Stepniewski, Kathy Gehopolos, Wayne Russel, and Marc Fenton. Dale Adamski was elected to the Queen's Court for Homecoming. Also taking part in the Homecoming festivities was the freshmen float, RCA, which won third prize. Guiding the freshmen through their first year were their able advisors, Mr. and Mrs. Apsey.

Entering the high school for the first time, the Eighth grade students were guided by their advisors, Mrs. Erdmann and Mr. Bedingham. The class started the year out by electing their class officers and Student Council representatives. Elected to the Student Council were Jo Arnold, Jim Paul, Lori Block. Because there was a tie between Diane Engstrom and Jane Wishka, they both were a member for a semester each. Some of the students got together and worked hard to build a float for this year's Homecoming Parade. Later in June they planned and decorated for their class party.

ACTIVITIES

National Honor Society

The chapter of the National Honor Society at MHS was chartered in 1937, the 1907th chapter granted by the national organization. The society gives recognition to outstanding students on the basis of Scholarship, Leadership, Service, and Character. It also encourages the exploration and development of these qualities in students. The emblem of the society is a keystone and flaming torch. The keystone symbolizes the high ideals of the National Honor Society and the torch, the purposes, to "bear forward the searching light of truth, to lead, that others may follow in the light, to keep burning in our school a high ambition for the enduring values of life, and to serve." Each year 5% of the junior class and 10% of the senior class are honored by being chosen for membership in the society. Congratulations to these potential leaders of our community and nation, on whom our democracy will some day depend.

Row 3; C. Fischer, M. Fenton, U. Geissler, D. Feldkamp, D. Doleys, W. Russel, D. Charney.

The purpose of the Student Council is to improve the conditions and conduct of the school and the student body. This year the council was ably headed by President Dennis Lynch and Vice President Jim Konicki. In sponsoring Homecoming, one of the best parades on record was held. After the game, students enjoyed dancing in a gym of daisies, decorated by Council members. A Christmas program, as well as several other enjoyable assemblies, were sponsored by the Council. In November, an Exchange Student Fund was begun. Council members suggested to various clubs that they sponsor special events, giving the proceeds to this worthwhile fund. In April, the annual Spring Carnival was held, the proceeds also going to this fund. A highlight of the entire school year was the Student Council elections in May. The party caucuses, avid campaigning, and the candidates' speeches to the Student Body, lent an important air to this school-wide-event.

J.E.T.S.

Chris Fischer, Treas., Thana King, Sec. Tom Numelin, Pres., Tom Niedzielski, Sec.

JETS, the Junior Engineers Technical Society, was organized in 1954 at Michigan State University. A student who belongs to JETS must be majoring in math or science and have maintained at least a C average in his freshman year. At their meetings the JETS enjoy such programs as lectures by professional men and movies on various scientific topics. Each year our local society's main project is the sponsoring of the annual Science Fair. Besides being in charge of setting up all apparatus, the members must enter a project of their own. The local winners then compete for honors at the Regional Science Fair held in Traverse City. This year the JETS have again competed against Traverse City in Science Downs. To top off the year, the JETS again planned their annual trip to Chicago.

Pow Wow

The Pow Wow Club is primarily a pep club. Their chief activity is backing the sports program of our school. They raise money annually to purchase something that is needed by the athletic department. They are responsible for keeping the trophies and trophy case in order. The girls usher at all home football games and are in charge of the sale of reserved seats. They have sold such items as pennants, shakers, and carnations to promote school spirit among the student body. Each spring, five sophomores and five juniors are chosen for membership for the following year.

Row one; P. Cole, J. Knight, D. Skiera, D. Bark, E. Flarity. Row two; M. Deising, M. B. Hughes, J. Berglund, D. Jolly, M. Gamache, Mrs. Ogilvie. Row three; K. Lundeen, E. Jach, L. Raatz, H. Swart, D. D. Wright, K. Dinsen.

Bookworms

Mrs. Hough's "right hand" is the Book Worms, the girls you have noticed in the library. Among their duties are checking books in and out, shelving books and keeping track of overdue books and fines. They also "read" the shelves — that is keep them in proper order. The clerical part of their job includes work on the pamphlet and vocational files and keeping the files of back periodicals in order. In processing books, they do such things as shellacking, numbering, and making cards. They are always glad to help any student with reference work.

Boys' and Girls' State are sponsored annually by the American Legion. Boys' State was held last on the campus of Michigan State University. MHS was represented by three boys, Bob Arnold, Chuck Rhodea, and Jim Snyder. At Girls' State, held on the campus of the University of Michigan, our school was represented by Lynette Raatz. The purpose of these meetings is to learn more about the executive branch of government in our state. Each person holds an office ranging from Governor and Lieutenant Governor to county and city officials.

Band

The activities of the band this year have been entertaining the fans at the football games, working hard for the straight "I" they got at the district festival at Onekama, and putting on the annual Band Bounce in the spring. The pep band has played for pep meetings and at the basketball games.

This is typical of the annual spring Band Bounce

The Girls' Athletic Association, with a membership of 150, is the largest club at M.H.S. This year the club again staged their initiation at a home football game. The giving of \$25 to the New March of Dimes, the sponsoring of a Hawaiian Luau, and the holding of a spring outing were among the projects of the club. Many girls received their numerals, letters, and pins through points accumulated by club activities and individual participation in various sports.

Pep Club

The Pep Club is a new organization in Manistee High School, which had it's first meeting in the late fall of 1961. Ruth Ann Miller was elected president; Mary Ann Fink, vice president; Colleen Haynes, secretary; and Theresa Fortier, treasurer. A constitution committee and pin committee were appointed. Seats in the Armory were reserved for members of the Pep Club for the season's basketball games.

The purpose of the organization is to build up school spirit, aid cheerleaders in preparing pep meetings, and support the team when it is playing football or basketball.

In order to become a member of the Pep Club the student must have an activities ticket.

Row 1: F. Goodrich, T. Sielski, E. Johnson, M. Zientek, H. Rozmarek, J. Sonefeld. Row 2: Mr. Palarski, D. Darling, B. Bultema, A. Merritt, J. Paetschow, A. Garber, L. Ham,

Rifle Club

The Rifle Club has been affiliated with the National Rifle Association since 1945. Every Thursday evening the members of the club meet at the Manistee Armory for beneficial practice sessions.

The club begins their year with programs on gun care and safety. After learning the nomenclature of the gun the members advance into sight pictures and the different shooting positions.

The top six shooters of the club form the rifle team which each year competes against Ludington.

The only requirements for joining the Rifle Club are an interest in guns and your ammunition. The guns and jackets are furnished by the club.

This year Mr. Palarski and Mr. Jilbert are the advisors.

Ski Club

The Ski Club was headed this year by President Allen Rohrstaff. Janet Berglund was Treasurer with Eric Hansen as Vice-President and Sally Mackin as Secretary.

This year the Ski Club voted to allow any interested eighth graders to join the club. Membership is not based on ability, but on a person's interest in skiing.

Ski Club usually meets every Tuesday with several interesting ski instruction movies a year.

The Ski Club has been on various ski outings this year, at which time they have Pot Luck dinners, go tobogganning, dance, and have after-hour skiing.

The club's big project this year was helping to purchase the blue and gold racing jackets for the ski team. They also helped the team by making flags for slalom and downhill races.

The membership of the Lettermen's club is composed of the boys who have earned a major letter in a varsity sport at M.H.S. The objectives of these boys are to maintain sportsmanship in all forms of athletics, to assist the Athletic department in any way requested by it, to encourage athletics, to maintain creditable scholastic averages, and to establish and maintain the value of all athletic awards. The club held bi-monthly meetings at which the members enjoyed varied programs. At the end of the year, a banquet was held. The motto of the club is "The value of sports is sportsmanship."

Assemblies

Karl Oscar Gren addressed the student body on the subject, "Destination: America"

Bob Arnold emceed our Christmas Assembly

O. G. Fitzgerald educated and entertained us by demonstrating the "mind in action"

I can fly . . . I can fly . . . I can fly

And they lived happily ever after.

Tickle, tickle, tickle

They defy the laws of gravity

I hate to leave this class!!

Homecoming 1961

Dale Adamski, Kay Dinsen, Queen Emilie Jach, Jo Ann Knight, and Jane Anderson

On Thursday, Oct. 5, the Homecoming festivities at Manistee High got underway with the annual Bonfire which kindled our "beat Alma" spirit to a high pitch. In the parade the next afternoon Tri-Hi-Y took first place in the float competition, the Seniors, second, and the Freshmen, third. At the game that night our Chips unleashed the fury which proves them the champions they are by whipping the highly rated Alma team 35-0. Preceding Emilie Jach, our Queen, across the field at half time were Dale Adamski, Jane Anderson, Kay Dinsen, and Jo Ann Knight, the members of her Court. Queen Emilie was crowned by Joanne Hallock, the Homecoming Queen of 1960. After the game, students and alumni danced amid the daisies which decorated the MHS gym.

Best Blocking AwardDAN RADTKE
Best Conditioned PlayerCARL HAASE
Tape Can AwardPHIL SNYDER
Oil Can AwardCLINTON "CATFISH" SMITH

The "Mighty Chips" downed Alpena High in the opener of the season with a smashing score of 20-0. The Wild Cats were held to only one first down, this being accredited to the impressive defensive unit of the Chippewas. Working together the team succeeded in the first of the long line of victories with Jim Wisniski scoring 2 T.D.'s and Al Rohrstaff one and one extra point. The final score was determined when Dan Radtke split the goal post with the extra point.

Smashing another Class "A" foe, the M.H.S. football machine rolled up an impressive victory, over the Kalamazoo Knight with a 34-0 win. In this game, Phil Snyder demonstrated his great ability as a quarterback. Speedy Rohrstaff started the scoring parade with a 50 yard run in the first and also scored another TD on a 10 yard end sweep. Wisniski also tallied 2 TD's. Sophomore Bob Duschinski scored the final TD. PAT's were scored by Radtke, Brye, Rohrstaff, and Konicki.

In the first N.C. Conference game, Manistee blanked the Big Rapids Cardinals by a score of 10-0. For most of the game, frustration and futility marked the offensive plans of both sides. Just before the half, a field goal by Dan Radtke made the score 3-0. At last on the final play of the game, Jim Wisniski made a 5 yard end sweep and Radtke converted to give the Chips a 10-0 victory.

Sparked by the excitement of homecoming, the Chippewas produced a glorious victory over the Alma Panthers. Rohrstaff Brye, and Lynch made one touchdown each, with Jim Wisniski adding 2. Radtke made 5 perfect conversions to make the final score, 35-0.

Our arch rivals, the Ludington Orioles, were defeated in a hard fought battle on their home field.

Things looked gloomy to the Manistee fans when Ludington scored the first touchdown. It wasn't until well into the 3rd period when Denny Lynch made an explosive 13 yard scoring run that tied the game at 6-6. With only 31 seconds in the game, Wisniski rocketed into the end zone for the final TD. A conversion by Radtke made the final score 13-6.

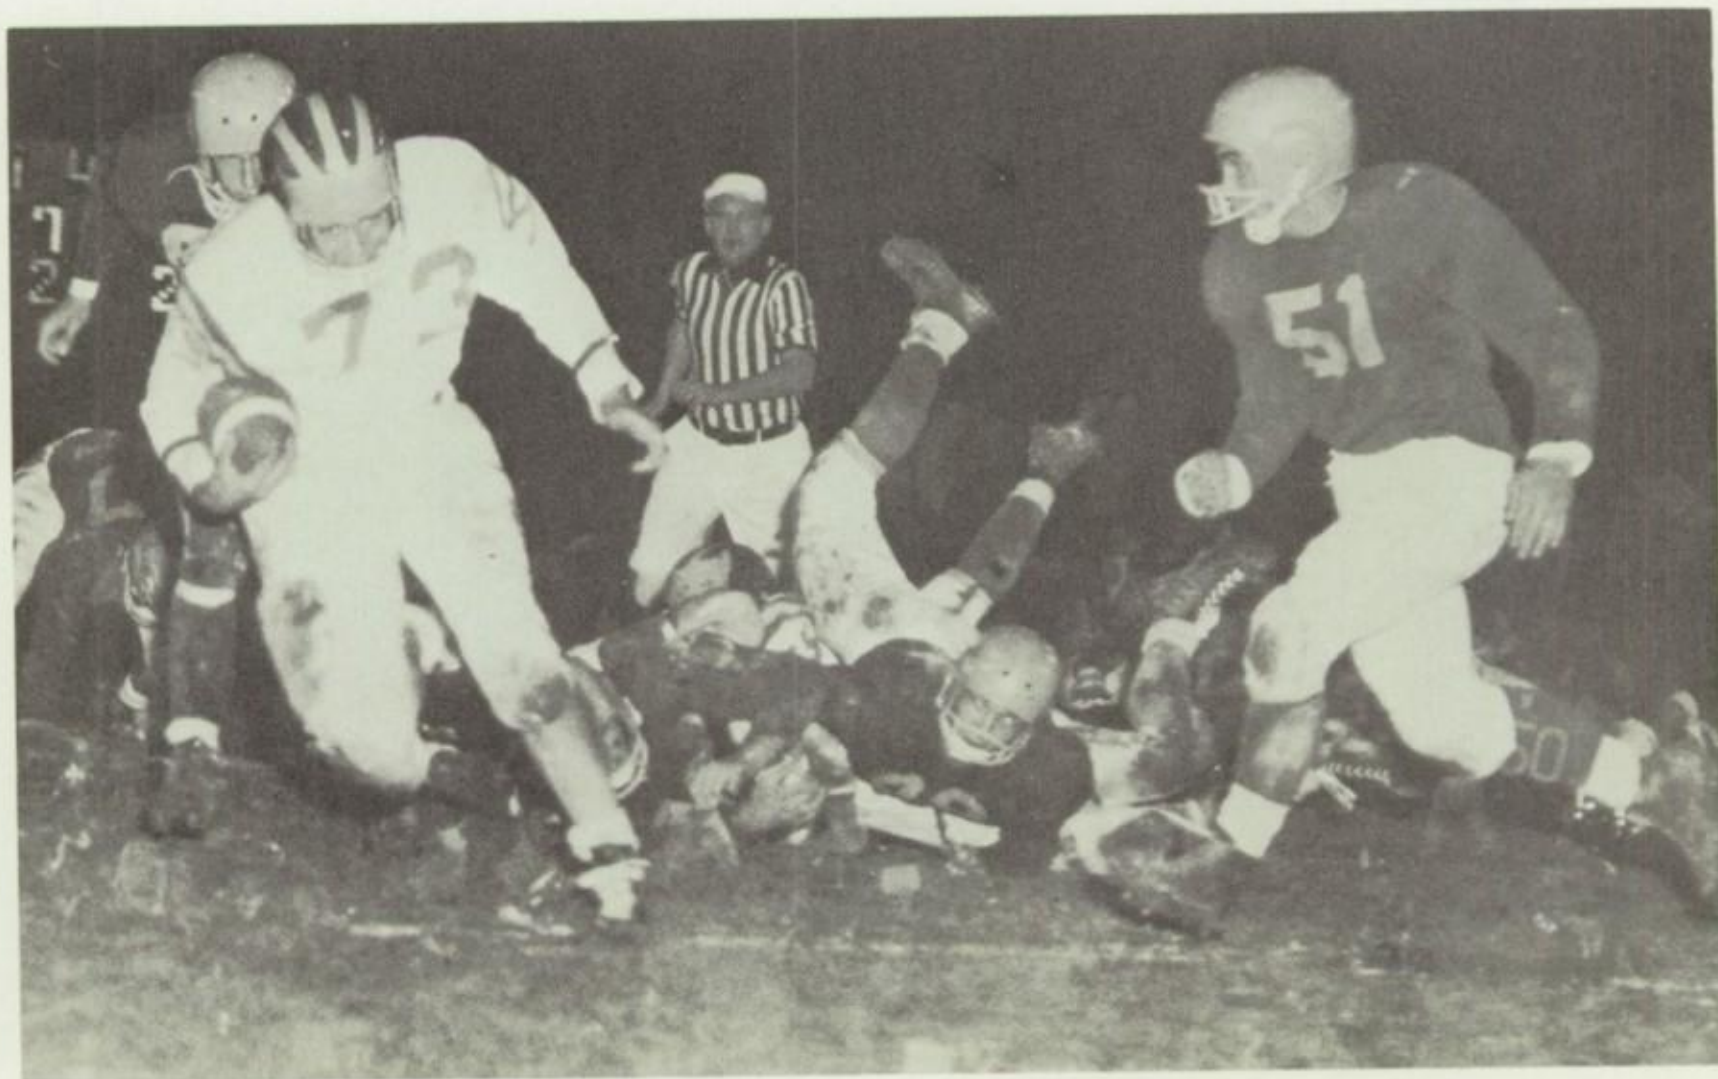

Building up their record of victories the Chippewas defeated the Cadillac Vikings 26-0. Jim Wisniski, brilliant halfback, led Manistee with 3 TD's. Rohrstaff scored the fourth TD. Radtke made 2 extra points on conversions.

By defeating the Mt. Pleasant Oilers 9-7, the Manistee Chips won sole possession of the North Central Conference title with a perfect 5-0 N. C. record. The slim margin of victory was the result of a brilliant play when End, Dave Schulty and Linebacker, Dan Radtke hit the Mt. Pleasant quarterback in the end zone for a safety, making the score 2-0. Wisniski made the only TD, with Radtke converting.

Finishing up their perfect season, the undefeated Chippewas tromped Traverse City St. Francis 26-0. Radtke scored 14 points on 2 field goals, 2 conversions, and a TD on a 31 yard return with an intercepted pass. Lynch and Wisniski each contributed a TD in the 2nd period.

The victory gave MHS its first undefeated, untied season since 1919 with their 8-0 record including 6 shut-outs and outright possession of the N.C. Conference championship.

As the commentator from the Alma radio station said: "Alma played a good game and lost but have nothing to be ashamed of for they lost to one of the truly great high school football teams of modern times."

Row 6. Bob Nowak, Paul Brennan, Larry Mead, Mike Zawacki, Mark Adamczak, Mike Zientek, Howard Neitzke, Carl Olsen, Allen Raspotnik

This year the Little Chips won two games while losing three. The record is not overly impressive. However, all the boys gained valuable experience which will enable them to capably fill vacancies on the varsity team of 1962.

Honorary captains of this year's team were Chuck Hutson and Kevin Block. The team was coached by Si Miller, assisted by Ted Oatley.

MHS	48-77	Ludington
MHS	60-66	Mt. Pleasant
MHS	75-46	Cadillac
MHS	64-35	Alma
MHS	63-61	Big Rapids
MHS	62-55	West Michigan Christian

Opening their season, the Manistee basketball team downed TC St. Francis 51-48. The Chips got off to a hot start with a 12-0 lead, but St. Francis regained its shooting eye in the second period to cut the half-time lead to 26-24. During the thrill-packed second half, Manistee outscored TC by only one point to give them the victory. High scorer for the game was Lynch with 19, followed by Wisniski, 14 and Nurnberger, 10.

Experiencing probably the worst night of the season, the Chippewas lost their first NC game to Ludington, 74-39. The Ludington team was fantastically hot shooting in the first half making a total of 20 baskets in 40 shots, an almost unbelievable 50%. The game was played before 1,200 fans, the largest ever to watch a game here. Top scorer for the game was Lynch with 14.

Coach Rutherford's Chippewas used the fast break with sharpness and scoring accuracy, to take a 70-51 victory over Cadillac. Seniors Jim Wisniski and Denny Lynch scoring 21 points, respectively.

Sparked by Dennis Lynch's brilliant defensive and offensive game, the Chippewas took a 68-51 victory over Petoskey. At the end of the first quarter the Chips held an impressive 16-4 lead and they managed to keep a comfortable lead throughout the game. Lynch was high scorer with 14 baskets and 5 free throws for a total of 33 pts. Kalen had 13 pts. and Wisniski 11.

Although Mt. Pleasant gave Manistee quite a battle in the first half, the Chips took a 50-39 victory, making their season record 4-1. In the third quarter the Manistee team looked unbeatable. The fast-breaking team ran the legs off the Oilers and poured in 17 pts., while the Oilers only added 3. The scoring was nicely balanced between the starters with Nurnberger having 12 pts., and Haase, Lynch, and Wisniski 11 each.

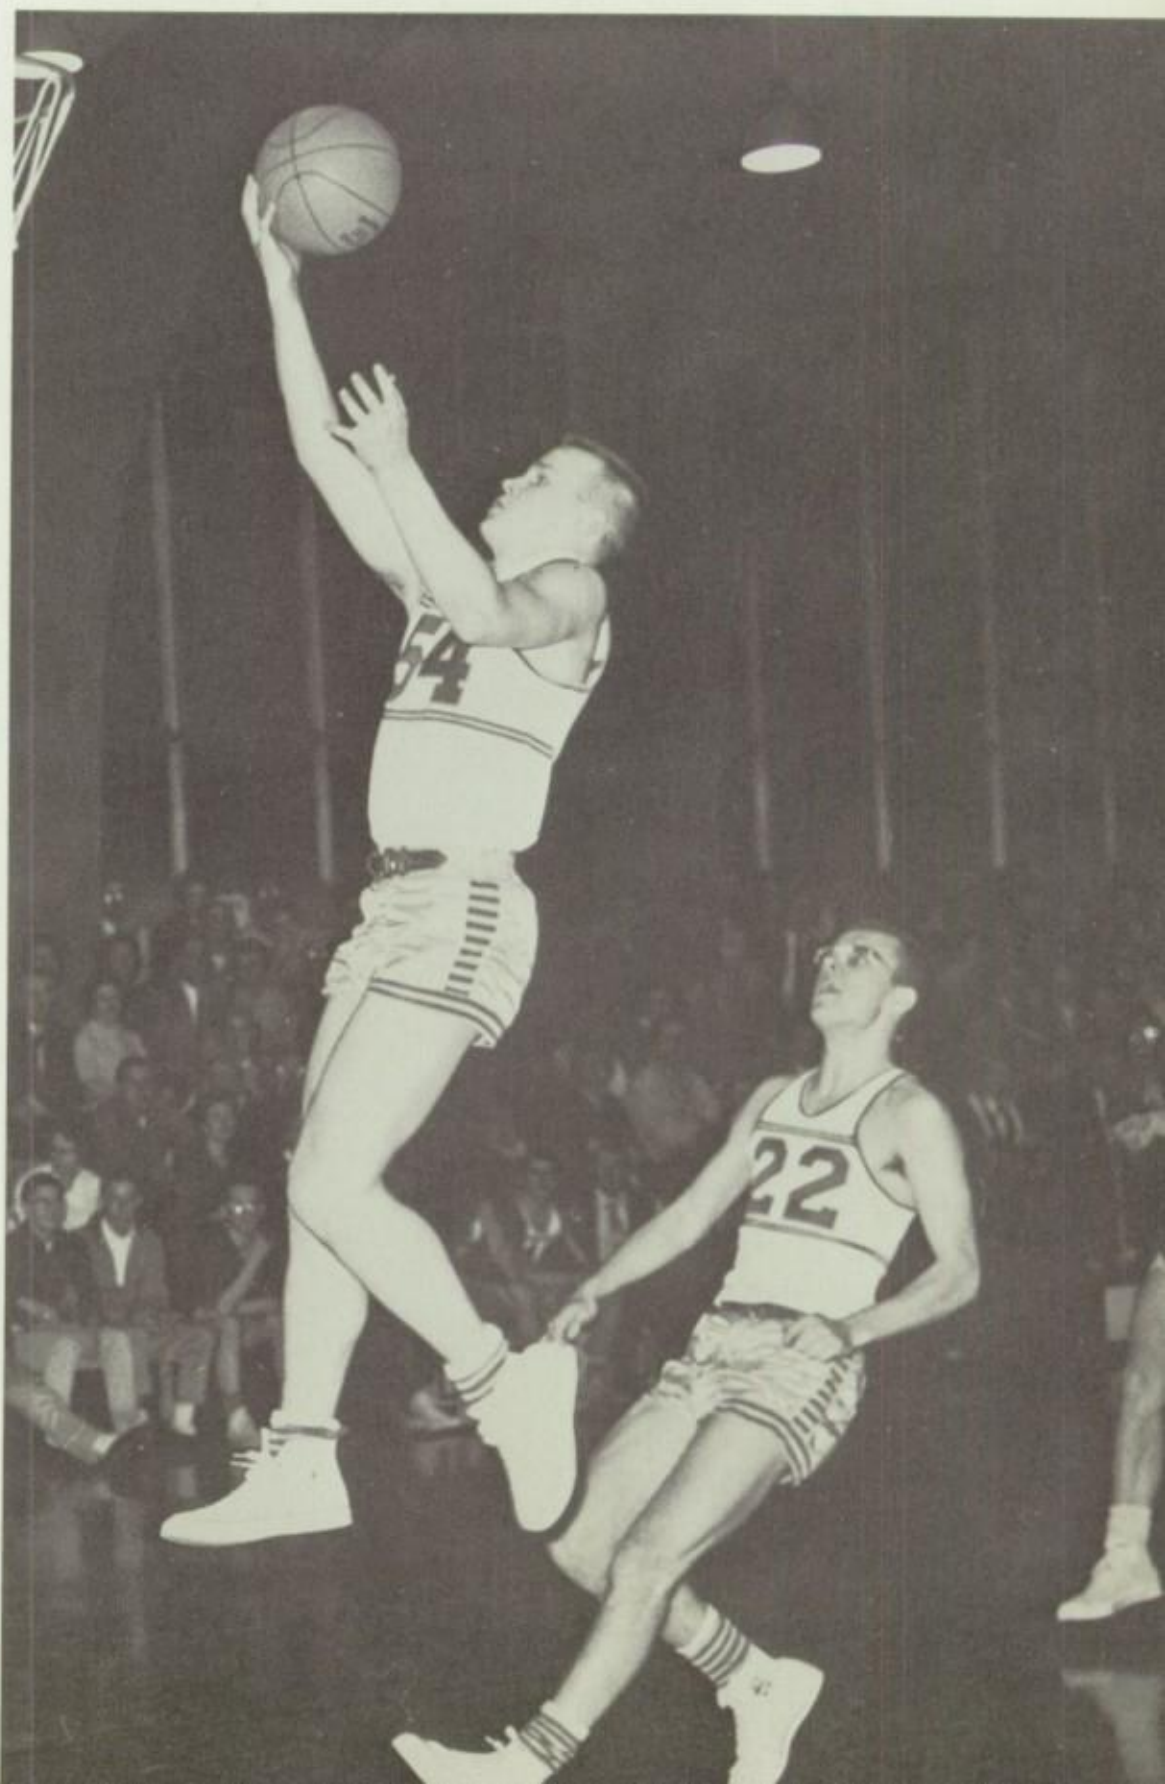

The hustling Chips, using their superior speed to overcome the taller Muskegon Catholic Central team, won their 4th straight game 69-64. Led by the speedy Senior guard, Jim Wisniski, who scored 30 points, Manistee won another game to boost their season record to 5-1. The Chips piled up a 42-25 halftime lead which carried them through the second half when they were outscored 39-27. Lynch had 13 pts., and Haase had 10.

Countless mistakes and costly fouls proved too much of a handicap as the hot-shooting Alma Panthers handed out a 72-56 defeat. Although Manistee held a 36-32 halftime lead, the Panthers wiped out this lead in the third period, taking a 52-46 lead. Nurnberger was high-scorer with 20 pts., and Lynch 15.

In a thrilling game, the Chips lost to the tough Big Rapids Cardinals, 63-58. The Chips were hot-and-cold through the night but unfortunately were held scoreless in the last 4½ minutes during which time the Cards piled up 17 pts. Haase led with 20 pts., Lynch had 16, and Wisniski, 12.

Coming from behind in a close game, Manistee won over TC St. Francis 56-54. Lynch was outstanding in this game, scoring 31 pts. Although the Chips had a poor second quarter, being outscored 22-9, they rallied in the third quarter to cut the Gladiator's lead to only two points. The score was tied four times in the wild finish which saw Wisniski sink 2 free throws with 39 seconds left to give the Chips the victory.

Manistee dropped their 2nd game to Ludington this year, 77-48. The Orioles got off to a fast start in the game, taking a 29-8 lead in the first period. However, Manistee hit 20 of 24 free throws for a fine percentage. Denny Lynch scored 23 points.

In a wild and exciting game, the Chips downed the Big Rapids Cardinals 63-61. The score was tied nine times and the teams exchanged the lead repeatedly. With three starters fouling out, valuable aid came from the bench as Kalen, Bowes, and Konicki played a good game, scoring 13 pts. among them. With two seconds left, Manistee, who was ahead 63-59, intentionally allowed Big Rapids to score so that no Manistee player would commit a foul and possibly cause a tie. Ogilvie and Nurnberger dumped in 18 and 14 respectively.

Taking their fourth straight victory, Manistee ended their season by downing West Michigan Christian of Muskegon, 62-55. The Chips trailed only once in the game although their lead was often slim. In the double figures for this game were Ogilvie 26, Lynch 14, and Haase 10.

Manistee met defeat at the hands of the Mt. Pleasant Oilers by a score of 66-60. Ogilvie was high scorer with 21 and Lynch had 17.

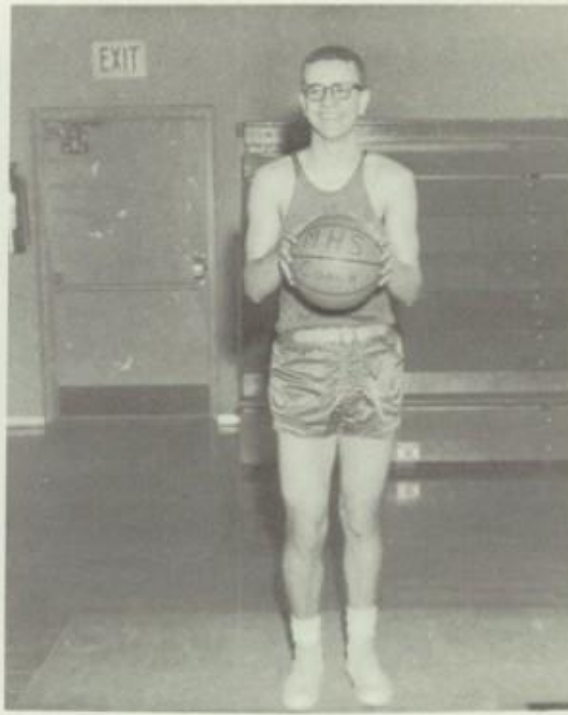

The Chips broke their four-game losing streak by downing the Cadillac Vikings 75-46. In a hot first period Manistee played some fine basketball, leading by 25-3. They held a commanding lead for the rest of the game. Lynch netted 26 pts., and Ogilvie 20.

Combining speed, hot shooting, and effective rebounding, the Chips easily defeated Alma, 64-35. Carl Haase played a great game on the backboards, hauling down 17 rebounds. Pacing the Chippewas was Ogilvie with 23 pts., Wisniski added 14, Lynch 13, and Nurnberger 8. In the last three minutes, 37 seconds of the game, reserve guard Chuck Baker put in a fine performance, scoring six points. Also outstanding in this game were the Manistee free throws, 18 out of 22.

Dennis Lynch

Rich Nickelson

Jim Wisniski

In the first game of the District Tournaments, the Manistee Chippewas downed the Cadillac Vikings 77-59. The Chips opened up with an impressive first period scoring splurge, holding a 20-8 lead. The second quarter found the margin increasing further. Although the third period was not quite as impressive, the Chips won easily behind the scoring power of Ogilvie (22), Lynch (17), and Haase (17).

The Seniors pictured above saw their last game on March 10 as Manistee dropped their last Tournament game to Ludington, 79-67. Manistee was able to keep it a close game during the first three quarters. Although the Orioles were ahead most of the game, the Chips came to within two points of Ludington with only 14 seconds left in the third period. But Ludington started out in the fourth period by four quick baskets to give them a lead 58-46 and that settled the game. Lynch dumped in 23 pts. for Manistee. Ogilvie added 18 and Haase 12.

Junior Varsity

The Junior Varsity finished the season with an 8 win and 7 loss record. Of the seven losses, five of them were lost at the free throw line, indicating just how close some of their games were.

Although it is nice to win ball games this is not the primary purpose of the JV's. It's to learn the fundamentals of the game. Some of the boys came along real good, meaning that they should be able to fill the vacancies left by the seniors on the varsity.

D. Doleys, R. Duschinski, D. Bradshaw, D. Swanson, C. Hutson

MHS	53-40	TC St. Francis
MHS	36-55	Ludington
MHS	58-63	Cadillac

Eighth Grade

The 1961-1962 8th grade basketball team played 9 games, winning 6 and losing 3. All home games were played in the MHS gym. Eleven boys were on the eighth grade team. Outstanding players were Jon Hokanson, Lee La Fleur, Joe Helminski, and Dennis Clark. These players and other members of the team should be able to form a good freshman team for next year.

MHS	27-49	Ludington
MHS	31-26	Cadillac
MHS	30-13	Filer City
MHS	43-51	Scottville
MHS	28-21	Cadillac

Ski Team

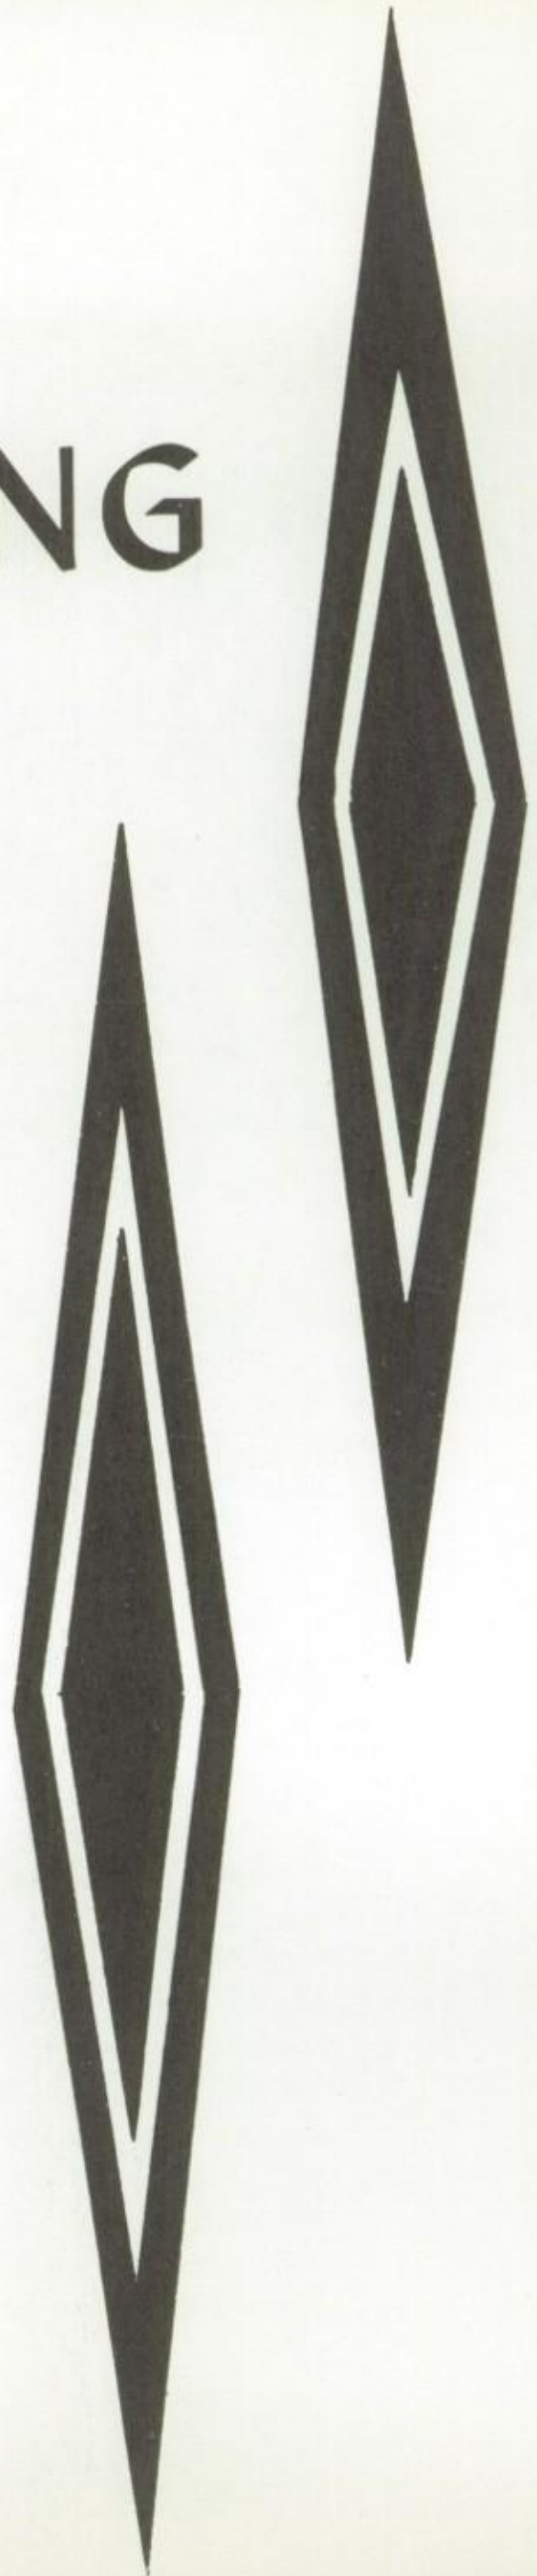

Coach Oatley, B. Kennedy, E. Hansen, R. Rohrstaff, M. Maurer, T. Batzer, A. Smith, T. Olson, W. Russel, D. Radtke, P. Johnston, M. Bultema, C. Gunderson, C. Raatz, M. Deising

The 1961-62 season of competitive skiing could have been considered a losing one if it were weighed by record alone. The boys' team compiled a won 2 lost 6 record and the girls' team a won 2 lost 5 record. This record does not include the State Championships. In this competition the boys' team beat 9 teams and lost to 5. The girls' team fared out somewhat better beating 10 teams and losing to only 4.

When ski competitors are racing against time, meet results are very often decided upon by tenths of seconds. Manistee, as the record stands, ended up in this situation frequently by just this amount.

If a team's record were based upon spirit, determination, and sportsmanship, the 1961-62 MHS Ski Teams would have to be considered winning teams.

CONGRATULATIONS, GRADUATE!

The day you receive your diploma for a job well done will soon be here. May we, at Michigan Consolidated Gas, join with family and friends in wishing you continued success and happiness. Whether the road ahead leads to college, a career or marriage, we hope, some day in some small way, that we may serve you.

Barb,
Best of Luck
always to the sweetest
and most adorable girl
in the ninth grade. Stay
just as you are and you
will most likely succeed.
Remember the fun we've
had in staggies. (Ahem!)
Love,
Jane

Hi Barb,
Here's to ~~you~~ the
nicest kid
I've known in
a stone age! (hic)
I have fun this
summer & don't
ever forget the
fun we had in
gym & English
together - or I'll
get you. Don't
study too hard
this year!

Linda

Barb/ love
lots of red you m + s.
to a red you a / s.
to a in year the yd.
you the exp. now 1/5
for the company
keep my family
you

Hiya, Barb!

Man alive! Haven't we had a pile of fun this school year! I really hope to stay as close to you forever as I have been ~~having~~ this year! I don't think I've ever met anybody who is as much fun to be with as you are, 'cuz you're an absolute panic to be with. (Please excuse this crummy writin') Hope that we have a whole bunch of classes together when school starts again, don't you?

Well, be a real good little girl this summer and have a lot of fun! Hope to see you a lot after school's out & do a lot with ya.

Here's to a sweet charming girl that I'll never ever forget. Have the best luck, etc & all that, 'cuz I know you will. Keep ahold of that sparkling personality of yours and your capacity for being cheerful in any situation, and you will always go far for sure. Bless, you,
Cass
